Driver Education Course Goals

1. Arrive to class on time and ready to learn new driving skills and practice them.
2. Understand that driving is a PRIVILEGE, not a RIGHT.
3. Learn and obey traffic laws for the safety of all.
4. Learn to be a defensive driver who is in control of personal emotions.
5. Proper Dress Code: No Open Toed Shoes
6. No Electronic Devices
7. Pass DMV testing requirements and accept all driving responsibilities.
